When Grandpa buys a piece of carpet to improve his putting and it turns out to be a magic carpet, he and his grandchildren take a journey to find Mr. Rainbow and the Lost Treasure. They travel on a sailing vessel and enter into a nautical world of pure fantasy that includes rides on Dolphins, a whale and talking Sand-crabs, a Parrot (Fred, the ship's boatswain mate) and an Eagle (Betsy, Mr. Rainbow's flying guide and assistant).

Amidst a treasure-chest of riches and wealth, Mr. Rainbow teaches the children about the best Treasure: Love and Friendship...especially the biblical kind.
